

KENYA

TARGET DATES: MARCH 14TH – 24TH, 2024

IN PARTNERSHIP WITH

The Country

A beautiful country that is stable but faces many challenges. Widespread poverty, spreading urban slums and need for land reform create tension in Kenyan Society. There are 74 different languages spoken in Kenya and many of these ethnic groups clash over limited resources.

The Ministry

The team will be working in and around Kambiri with our One 2 One school partner. While there, they may be involved in sharing the Gospel through community development projects, tutoring students, food distribution and assisting teachers in schools. We will be working with the local missionaries to bring the hope of the Gospel to all!

Please note: Kenya requires 6 months validity on passport and an EVisa for entry.
