

NEW ORLEANS, LA

HURRICANE RELIEF

MARCH 11TH–18TH, 2022

The Location

This spring break, you will have an opportunity to serve an area that was battered by Hurricane Ida on August 29, 2021. It was a Category 4 hurricane that became the second-most damaging and intense hurricane to make landfall in Louisiana on record. It caused catastrophic flooding and with sustained winds of 150 mph, it did incredible amounts of damage to buildings and structures. There are many people who cannot afford to have their homes repaired or rebuilt. Apply today and bring the hope of Christ to this devastated area!

- Trip cancellations or postponements qualify for transfer of all funds that have not been expended, toward another location that year or for a future RIM trip.
- If an individual is unable to participate due to COVID-19 related issues, they also qualify for this donation protection. The funds he or she has raised that have not been expended, can go towards a future project, if done 30 days prior to the trip.
