

GUATEMALA

MARCH 14 - 21, 2024

IN PARTNERSHIP WITH

The Country

A beautiful land of mountains, volcanoes and lakes with ancient colonial villages and Mayan ruins. Belonging to 60 different people groups, residents of Guatemala speak more than 42 distinct languages, but most people know Spanish because it is the country's official language. Our team will serve primarily in Chimaltenango and nearby villages where many still wear their traditional tribal garb.

The Ministry

It's easy to meet people and initiate conversations in Guatemala. While many of the Guatemalans consider themselves Christians, a great number of them are only Christians in a cultural sense and do not have a personal relationship with Jesus. All it takes is a one-on-one conversation with a missionary like you to help Guatemalan students bridge the gap from religion to relationship. While working with our partner One 2 One school, ministry may include food distribution, evangelism, and construction projects. Be prepared for the Lord to use you to bring light into spiritual darkness!
