

# PHILIPPINES

TARGET DATES: MARCH 14 – 24, 2024

## The Country

A beautiful tropical country where half the population lives in poverty. They experience many tropical storms, floods and landslides that destroy lives and homes, especially those in slums. Nearly 50% of those slums and squatter communities have no evangelical church, while the wealthier areas in Manila do.

## The Ministry

The team will be working in and around Tongko with our One 2 One school partner. While there, we will be involved in sharing the Gospel through community development projects, tutoring students, food distribution and assisting teachers in schools. We will be working with the local missionaries to bring the hope of the Gospel to all!
